

## Guidance for meeting at Lox Lane to worship on a Sunday

- We are allowed to have as many people gather to worship as we judge is possible whilst maintaining social distancing.
- But the 'rule of 6' applies within that gathering - so "worshippers should limit their interactions with anyone they are not attending the Place of Worship with" (this is actually a legal requirement). And the guidance also says "once completed, participants should be encouraged to move on promptly".

We appreciate that all of this seems very restrictive, but we do believe we are so blessed to have the facility to meet at Lox Lane and do want to honour the guidance in line with the command in Romans 13.

### General Information

- Please do let me know if you are planning to come - this really does save me time on the day if you can tell me in advance
- Please look out for email (and Facebook) on Sunday morning if the forecast is for rain - just in case we have to cancel
- This will be outdoors in the central courtyard, so please bring your own chair and wrap up warm!
- Can we please ask that you are sensitive to others as we gather - and honour each other by allowing others to maintain social distance.
- I will be checking people in - so do make sure I see you! This is because I am keeping a record - for 21 days only - of who was present at the meetings. This is so we can give information to NHS track and trace if they request it. (Please note under GDPR rules there is no legal requirement for you to give your contact details, but obviously it helps us to help you if we ever hear anything from the NHS track and trace people.)
- We will have toilets open and hand sanitiser available for use on arrival, departure and before using the toilets
- Social distancing rules will apply. So where possible, adhere to social distancing of at least 2 metres or 1 metre with risk mitigation (where 2 metres is not viable) between households. Note: use of mitigations means things like wearing a face-covering or turning your face away
- Face coverings are optional as we are meeting outdoors
- For those unable to come to Lox Lane or who are not yet ready for meeting in a large group - we will be live streaming the meeting.
